Shivajirao Deshmukh IAS (Retd.)
DIRECTOR GENERAL

VSI/DG/AGRI./PL.BR./ 686 /2018-19

May 08, 2018

To,
The Managing Director,

Subject: One day workshop on 'Varietal planning and seed program' on 26th May, 2018 ...

Dear Sir,

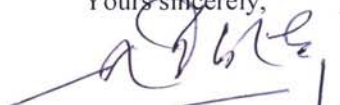

As you are aware that as per the schedule of monthly workshops to be held during 2018-19, a second monthly one day workshop is on '**Varietal planning and seed program**' for agriculture officers and agriculture graduates of participated sugar mills under this scheme. The workshop is scheduled on 26th May, 2018 at this institute from a series of workshops planned in year 2018-19.

To achieve this task and get the sustainability in sugarcane agriculture, cane development wing along with the management of participated sugar mills is required to chalk out the varietal planting planning and harvesting program as per the VSI's guideline. It is also necessary to plan for the availability of the quality seed for planting every year to get the higher cane yield under the VSI's promotional award scheme for the Cane Development activity in your sugar mill area. Even you are not involved in this scheme, it will be important to know the progress of the cane development activities at all the other sugar mills area. Hence, **it is mandatory for management of all sugar mills to depute their Officers from cane development to participate in all the workshops for update of knowledge in cane development to be held during 2018-19.** Therefore, it is requested to depute the maximum technical staff from cane development wing to participate in this workshop. The recommendations of last workshop is enclosed for your information and further necessary action.

I would request you to confirm your participation by sending the letter and registration fee of Rs.500/- per participant either by DD in favor of Vasantdada Sugar Institute, Pune or by RTGS transfer on VSI account. For more details you may contact Dr. R. S. Hapase (Cell: 9890313681); Dr. P. N. Tawar (Cell: 9850046729) and Shri. S. S. Katak (Cell: 9423386262) Workshop Coordinators. In this regard an early and positive action is anticipated.

With regards,

Yours sincerely,

(Shivajirao Deshmukh)
