## **Short excursion to Dapoli, Ratnagiri, Maharashtra and its Surroundings by Students from Environmental Science Department**

**Scope:** To educate the students on biodiversity and ecological excursion

**Activity details:** The study tour was conducted on 13-14 October 2018 for 2 days of period. The short excursion was based on the sustainable transport to natural areas & diversity study of plants and animals at Dapoli, Ratnagiri, Maharashtra and its Surroundings. The purpose of this study tour was only to educate the students and shows the importance of our nature and linked diversity, conservation environment and improving the well-being of the local people. Through this tour, students were aware about the local environments and natural surroundings with an eye to ecological conservation. During the visit, teacher interact with the students on importance of biotic components of the natural environments & environmental sustainability. Students educate on the flora, fauna, and cultural heritage during this visit. At the end of study tour feedback was collected from the students who were interested to provide feed back in the feedback form.

**Area visited:** Dapoli, Ratnagiri, Maharashtra and its Surroundings

**Participants:** Total 30 number of students (19 from Semester-I & 11 from Semester-III)

Note: Submitted To The Director General

Subject: **Permission for an excursion of M. Sc. Environmental Sciences (Sem I & III) students at Dive-agar, Taluka-Shrivardhan, Dist- Raigad**

We are planning to organize a short excursion for M. Sc. Environmental Sciences (Sem I & III) students on **Saturday Oct 13<sup>th</sup> and Sunday Oct 14<sup>th</sup> 2018** at Dive-agar and surrounding area.

Objectives of the visit are as follows

- Study the forest ecosystems of western ghats and coastal ecosystem
- visiting a sacred grove of Mulshi for study of monsoon flora
- Perform experiments related to ecology (for **semester I**) and forest resource monitoring (for **semester III**) *under supervision of Dr. Deshmare*

We are planning to arrange a private vehicle (bus) for the excursion. one night accommodation is planned at village Dive, expenses towards travels and accommodations will be met through excursion fees which will be collected from students.

Your permission is requested -

- to organize the excursion at said place
- for the participation of 4 staff members of the Department

*Dr. D.S. Nimbalkar*
