Manjari (Bk.) Tal. Haveli, Dist. Pune-412 307, Maharashtra, India

LIBRARY

Per Day Usage of Library During 2022-23

## Method of Computing per day usage of Library (2022-23)

In the Central Library, per day usage of Library by the user community (Teachers and Students) is calculating by the following formula:

No. of teachers and students using library per day =  $\frac{No \ of \ Visitors \ (Teachers \ and \ students)}{Total \ Number \ of \ Working \ Days} = \frac{X}{Y}$ 

## **During Academic year 2022-23**

Total No. of Visitors (Teachers & Students) using Library = 11531 = X

& Total No of Working Days = 271 = Y

No of Teachers and students using library per day =  $\frac{No \ of \ Visitors \ (Teachers \ and \ students)}{Total \ Number \ of \ Working \ Days} = \frac{X}{Y}$ 

No of Teachers and students using library per day =  $\frac{11531}{271} = 43$ 

No. of teachers and students using library per day = 43
