

DPR prepared in 2019-20

Sr. No.	Name of distillery	DPRs-Plant capacity and configuration
1	Mula SSK	Modernization cum expansion of existing 30 KLPD distillery plant to 45 KLPD with effluent treatment system (Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
2	Shri. Someshwar SSK	Expansion of existing 30 KLPD distillery plant to 60 KLPD with effluent treatment system (Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
3	Maa Mahamaya SSKUM., Ambikapur (Chhattisgarh State)	40 KLPD distillery plant with effluent treatment system(Biomethanation, Spent wash evaporation plant, Biocomposting and Condensate Polishing unit)
4	Shri Vitthalsai SSK	30 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
5	Matoshri Laxmi Sugar Co-generation Ind. Ltd.	45 KLPD distillery plant with effluent treatment system(Biomethanation, Spent wash evaporation plant, Biocomposting and Condensate Polishing unit)
6	Shiur SakharKarkhana Ltd(Revised DPR for SDF)	30 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
7	Shree Khedut S. K. U. Ltd., Pandvai(Gujarat State)	Expansion of existing 33 KLPD distillery plant to 50 KLPD with effluent treatment system (Biomethanation, Spent wash evaporation plant, Biocomposting and Condensate Polishing unit)
8	Utopian Sugars Ltd	45 KLPD distillery plant with effluent treatment system(Biomethanation, Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
9	Jamkhandi Sugar Mills Ltd (Karnataka State)	Expansion of existing 60 KLPD distillery plant to 120 KLPD with effluent treatment system. (Spent wash evaporation plant, Incineration boiler and Condensate Polishing unit)
10	Venkateshkrupa Sugar Mills Ltd	45 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
11	Tokai SSK	30 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
12	Autade Sugars Pvt. Ltd	65 KLPD distillery plant with effluent treatment system(Biomethanation, Spent wash evaporation

		plant, Biocomposting and Condensate Polishing unit)
13	Vishwasrao Naik SSK	Expansion of existing 30 KLPD distillery plant to 60 KLPD with effluent treatment system (Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
14	Rajaram Bapu Patil SSK	Expansion of existing 45 KLPD distillery plant to 100 KLPD with effluent treatment system (Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
15	Fartelli Wines Pvt. Ltd	Expansion of existing 1381 KLPA to 1651 KLPA winery plant with canning unit
16	Shree Laxminarsinha Sugars LLP	45 KLPD distillery plant with effluent treatment system(Biomethanation, Spent wash evaporation plant, Biocomposting and Condensate Polishing unit)
17	Shivneri Sugars Ltd	60 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
18	Shri Tatyasaheb Kore WaranaSSK	Expansion of existing 60 KLPD distillery plant to 80 KLPD including 50 KLPD Molecular Sieve Dehydration plant and Condensate Polishing unit
19	Sopanrao Balkrishna DhasalAgro Products Ltd	60 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
20	SMS Kolhe SSK	Expansion of fermentation section from 75 KLPD to 120 KLPD and up-gradation of effluent treatment system with installation of biomethanated spent wash evaporation plant followed by biocompostingfor 45 KLPD distillery and installation of raw spent wash evaporation plant withIncineration boiler and turbine for 75 KLPD distillery with Condensate Polishing unit
21	Utech Sugars Ltd	30 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
22	Vilas SSK (Unit-II)	60 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
23	Shri Kranti Sugar and Power Ltd	30 KLPD distillery plant with effluent treatment system(Biomethanation, Spent wash evaporation plant, Biocomposting and Condensate Polishing unit)
24	Sugar Grid Ltd	45 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
25	Bhoramdeo SSKUM, Ramhepur, Kawardha, Kabirdham	Expression of Interest (EOI) document for Design, Built, Finance, Operate and Transfer For Establishment of 40 KLPD Distillery Plant with effluent treatment system

	(Chhattisgarh State)	
26	Shri Sant Tukaram SSK	45 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
27	Sharad SSK	30 KLPD distillery plant with effluent treatment system(Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
28	KAT Samarth SSK	Expansion of existing 30 KLPD distillery plant to 60 KLPD with effluent treatment system (Spent wash evaporation plant, Incineration boiler, Turbine and Condensate Polishing unit)
29	Ashok SSK	Expansion of existing 30 KLPD distillery plant to 60 KLPD with effluent treatment system (Spent wash evaporation plant IMEE & SMEE, Incineration boiler, Turbine and Condensate Polishing unit)
30	Udagiri Sugar & Power Ltd	Expansion of existing 30 to 55 KLPD distillery with effluent treatment system (Spent wash evaporation plant IMEE & SMEE, Incineration boiler, Turbine and Condensate Polishing unit)
31	Udagiri Sugar & Power Ltd	Expansion of existing 30 to 105 KLPD distillery with effluent treatment system (Spent wash evaporation plant IMEE & SMEE, Incineration boiler, Turbine and Condensate Polishing unit)
