	COST ANALYSIS AT A GLANCE	(i)
	<u>PART – I</u>	
1	HIGHLIGHTS OF THE COST ANALYSIS	
1.1	Element-wise <i>average cost per tonne</i> of cane crushed of sugar mills crushing at more than 90% capacity	1
1.2	Element-wise <i>average cost per quintal</i> of sugar of sugar mills crushing at more than 90% capacity	2
1.3	Comparative statement of element-wise <i>average cost per tonne of cane</i> crushed for last five years	3
1.4	Comparative statement of element-wise <i>average cost per quintal of sugar</i> for last five years	4
1.5	Statement showing profit / (-) loss for last three years	5
1.6	Statement showing the increase/decrease of the Net-worth during the financial year over the previous year	8
1.7	Cash conversion cost <i>per tonne</i> of cane crushed in ascending order	10
1.8	Conversion cost <i>per tonne of cane</i> in ascending order	13
1.9	Total cost of production <i>per tonne</i> of cane in ascending order	16
1.10	Cash conversion cost <i>per quintal</i> of sugar crushed in ascending order	19
1.11	Conversion cost <i>per quintal of sugar</i> in ascending order	22
1.12	Total cost of production <i>per quintal of sugar</i> in ascending order	25
1.13	Element-wise cost and its percentage to total cost of production of sugar	28
1.14	Element-wise cost and its percentage to total realization	35
	<u>PART-II</u>	
2	ANALYSIS OF COST OF PRODUCTION	
2.1	Analysis of cost of production of sugar <i>per tonne</i> of cane crushed in ascending order of cash conversion cost	42
2.2	Analysis of cost of production of sugar <i>per tonne</i> of cane crushed in ascending order cost of production	46
2.3	Analysis of cost of production of sugar <i>per quintal</i> of sugar in ascending order of cash conversion cost	50
2.4	Analysis of cost of production of sugar <i>per quintal</i> of sugar in ascending order cost of production	54

Sl. No.	Particulars	Page No.
3	<u>PART – III</u> ELEMENT-WISE COST OF PRODUCTION PER TONNE / PER QUINTAL IN ASCENDING / DESCENDING ORDER	58
4	<u>PART – IV</u> ZONE-WISE DISTRIBUTION OF NUMBER OF SUGAR MILLS	85
5	<u>PART – V</u> GENERAL INFORMATION AND COMPARATIVE COST ANALYSIS FOR FOUR YEARS WITH STATE AVERAGE	
5.1	ZONE : SOUTH	
5.1.1	Kolhapur	98
5.1.2	Sangli	110
5.1.3	Satara	118
5.2	ZONE : CENTRAL	
5.2.1	Pune	124
5.2.2	Solapur	133
5.2.3	Ahmednagar	142
5.2.4	Nashik	156
5.3	ZONE : NORTH-EAST	
5.3.1	Nandurbar	157
5.3.2	Jalgaon	158
5.3.3	Jalna	159
5.3.4	Beed	161
5.3.5	Hingoli	165
5.3.6	Nanded	168
5.3.7	Osmanabad	171
5.3.8	Latur	173
