Subject: In-plant training for M. Sc. (Wine, Brewing & Alcohol Technology) course student in your brewery.

Dear Sir,

I have a pleasure to introduce to you **VASANTDADA SUGAR INSTITUTE**, a unique organization promoted and funded by cooperative sugar factories in the State of Maharashtra. VSI is engaged in Academic, Research & Development and Consultancy activities related to sugarcane cultivation, manufacture of sugar and allied by-products and pollution control. There are over 150 sugar factories and 70 distilleries attached to this institute to whom we render all kind of technical services.

The institute conducts various post graduate degree and diploma courses intended towards human resource development in the field of sugar, alcohol, alcoholic beverages and allied industry. VSI has started M. Sc. (Wine, Brewing & Alcohol Technology) course affiliated to the Savitribai Phule Pune University from the academic year 2011. The core subjects covers in-depth various aspects of alcohol technology including fermentation, distillation, downstream effluent treatment systems, maturation, blending etc.

The core subjects are supported by other relevant subjects such as i) Viticulture ii) Microbiology of Alcohol, Beer & Wine iii) Biochemistry of Alcohol, Beer & Wine iv) Chemical Engineering v) Plant Engineering vi) Instrumentation viii) Industrial Waste Management ix) Business Management etc.

The course is divided in four academic semesters and one in-plant training programme. Emphasis is given on imparting theoretical knowledge as well as practical aspects of brewing, wine making, distilling and bottling unit operations. Eminent scientists, technologists & consultants are invited to deliver lectures on specialized topics.

Reply to be sent on the name of Institute and not on individual's name.

-2-

The department of Alcohol Technology & Biofuels has excellent infrastructure, sophisticated instruments, well-equipped practical laboratories and qualified and experienced faculty to undertake above-mentioned academic activities. Excellent library and hostel accommodation facilities are also available at VSI campus.

Our students of academic year 2017-2019 have completed their IIIrd semester examination in third week of December, 2018. In the IVth semester students have three compulsory subjects and one optional subject depending on their choice in which they wish to pursue their future career. The students are required to undergo in-plant training of three months duration which will start from 1st February to 30th April, 2019. Based on their in-plant training the students have to submit the in-plant training report to VSI. On the basis of the in-plant training and report, the viva-voce examination is scheduled in the month of May, 2019.

We are looking out for possibilities for in-plant training for our students in reputed breweries in the country. Your being one of the reputed unit, we would appreciate if you can give permission for three months in-plant training for the M. Sc. [Wine, Brewing & Alcohol Technology] course student Mr. Pankaj Prajapat. Please treat this as important and accord your consent.

If you need any information about VSI, please be free to contact us or visit us at www.vsisugar.com. We would be grateful to you if you can acknowledge the receipt of this letter and keep our address on your mailing list.

Thanking you,

Yours sincerely,

(Dr. S. V. Patil)

The department of Alcohol Technology & Biofuels has excellent infrastructure, sophisticated instruments, well-equipped practical laboratories and qualified and experienced faculty to undertake above-mentioned academic activities. Excellent library and hostel accommodation facilities are also available at VSI campus.

Our students of academic year 2017-2019 have completed their IIIrd semester examination in third week of December, 2018. In the IVth semester students have three compulsory subjects and one optional subject depending on their choice in which they wish to pursue their future career. The students are required to undergo in-plant training of three months duration which will start from 1st February to 30th April, 2019. Based on their in-plant training the students have to submit the in-plant training report to VSI. On the basis of the in-plant training and report, the viva-voce examination is scheduled in the month of May, 2019.

We are looking out for possibilities for in-plant training for our students in reputed distilleries in the country. Your being one of the reputed unit, we would appreciate if you can give permission for three months in-plant training for the M. Sc. (Wine, Brewing & Alcohol Technology) course student Rohan Tolani & Swati Bhandare. Please treat this as important and accord your consent.

If you need any information about VSI, please be free to contact us or visit us at www.vsisugar.com. We would be grateful to you if you can acknowledge the receipt of this letter and keep our address on your mailing list.

Thanking you,

Subject: In-plant training for M. Sc. (Wine, Brewing & Alcohol Technology) course student in your brewery.

Dear Sir,

I have a pleasure to introduce to you **VASANTDADA SUGAR INSTITUTE**, a unique organization promoted and funded by cooperative sugar factories in the State of Maharashtra. VSI is engaged in Academic, Research & Development and Consultancy activities related to sugarcane cultivation, manufacture of sugar and allied by-products and pollution control. There are over 150 sugar factories and 70 distilleries attached to this institute to whom we render all kind of technical services.

The institute conducts various post graduate degree and diploma courses intended towards human resource development in the field of sugar, alcohol, alcoholic beverages and allied industry. VSI has started M. Sc. (Wine, Brewing & Alcohol Technology) course affiliated to the Savitribai Phule Pune University from the academic year 2011. The core subjects covers in-depth various aspects of alcohol technology including fermentation, distillation, downstream effluent treatment systems, maturation, blending etc.

The core subjects are supported by other relevant subjects such as i) Viticulture ii) Microbiology of Alcohol, Beer & Wine iii) Biochemistry of Alcohol, Beer & Wine iv) Chemical Engineering v) Plant Engineering vi) Instrumentation viii) Industrial Waste Management ix) Business Management etc.

The course is divided in four academic semesters and one in-plant training programme. Emphasis is given on imparting theoretical knowledge as well as practical aspects of brewing, wine making, distilling and bottling unit operations. Eminent scientists, technologists & consultants are invited to deliver lectures on specialized topics.

The department of Alcohol Technology & Biofuels has excellent infrastructure, sophisticated instruments, well-equipped practical laboratories and qualified and experienced faculty to undertake above-mentioned academic activities. Excellent library and hostel accommodation facilities are also available at VSI campus.

Our students of academic year 2017-2019 have completed their IIIrd semester examination in third week of December, 2018. In the IVth semester students have three compulsory subjects and one optional subject depending on their choice in which they wish to pursue their future career. The students are required to undergo in-plant training of three months duration which will start from 1st February to 30th April, 2019. Based on their in-plant training the students have to submit the in-plant training report to VSI. On the basis of the in-plant training and report, the viva-voce examination is scheduled in the month of May, 2019.

We are looking out for possibilities for in-plant training for our students in reputed breweries in the country. Your being one of the reputed unit, we would appreciate if you can give permission for three months in-plant training for the M. Sc. [Wine, Brewing & Alcohol Technology] course student Mr. Pritish M. Rathod. Please treat this as important and accord your consent.

If you need any information about VSI, please be free to contact us or visit us at www.vsisugar.com. We would be grateful to you if you can acknowledge the receipt of this letter and keep our address on your mailing list.

Thanking you,

Appointment Letter

We are pleased to appoint you in our organization as a " HSE Officer" on Fixed Term Contract and subject to the following terms and conditions.

- 1 Your contract will commence from 11-Apr-23 to 10-Oct-23 during which you will render services to our client at their premises or based on client's requirements and subject to the terms and conditions below.
- 2 During this period of contractual employment your remuneration shall be as per Annexure A. Any revisions, based on compliances, in your remuneration shall be informed to you on writing.
- 3 You shall adhere to all the instructions received by you from the authorized person of the Company or the Client. You shall also be bound by our rules and regulations set by the Company and Client, which have been informed to you wide any mode of communication.
- 4 You hereby agree to be liable for the following terms and conditions.
 - a. Fully perform the services, in a professional manner, at the client's location or any location based on the client's requirement, until the completion of the terms of the work assignment.
 - b. During the term of the work assignment, render services exclusively to the client and such performance shall not be inconsistent with deliverables expected for the work assignment.
 - c. Not engage in any conduct which is detrimental to the interest of the Client or Shubha Systems.
 - d. Not receive any payments of any nature directly or indirectly from the Client unless agreed to by Shubha Systems.
 - e. Neither directly nor indirectly accept employment with the Client or its affiliates during the period of the work assignment without prior permission of Shubha Systems.
 - f. Extend all cooperation to the Client's employees, consultants, representatives, etc. and do all such things as may be necessary and comply with all terms of the contract.
 - g. Report and be present at the designated location during the working hours, as instructed by the client.
 - h. Comply with the safety, health and environment policy of Shubha Systems and / or Client that you have been made aware of.
 - i. During the course of your contract, you can be transferred to a location within the territory of India as and when required by Shubha Systems in consultation or requirement of client for executing the services against your work assignment.
- 5 The nature of your relationship with Shubha Systems will be that of a Contract of services for a fixed period.
- 6 This contractual employment is being offered to you on the clear understanding that there is nothing on your past record which would have prevented the Management from offering you employment. If however, it is found at any time hereinafter that your past record is objectionable or if any declaration given by you or statement made by you to the management is false or if you have wilfully suppressed any material information, in such a case you will be liable to be removed from the services of the company forthwith without any notice.

7. Upon expiry or termination of the work Assignment, your employment with Shubha Systems shall stand terminated forthwith.
8. In case the contract period is not extended in writing, it would be deemed that your contract with Shubha Systems has been terminated and Shubha Systems shall have no obligations to pay any compensation for the period worked by you beyond the contract period.
9. Except for expiry of a contract, Shubha Systems or Ms. Divya Adkine may terminate this contract by issuing 30 working days' notice in writing or payment in lieu of the notice period. This stipulation, however, shall not be applicable in case of any breach of Company's rules, regulation and requirements in relation to your performance and conduct in which case the termination of your services can be effected without notice.
10. On the ground of loss of confidence of management (i.e. dishonest and criminal behavior, theft, sexual harassment and not in commitment with general rules of prudent and commercial practices etc.) your services can be terminated with immediate effect. The Company may do so without assigning any reason/s and compensation and the Company's decision shall be final and binding on you.
11. Upon termination of the contract, Shubha Systems shall settle all your dues after making the applicable deductions as per the laws.
12. You agree to defend, indemnify and hold Shubha Systems or the Client harmless from any and all claims, damages, liability, attorney's fees and expenses on account of your failure to satisfy and of your obligations under this work assignment or for misconduct or for violation of any law or creation of any legal liability by you.
13. Any dispute between you and Shubha Systems shall be referred to an arbitrator appointed Shubha Systems. The arbitration shall be conducted in English language, in accordance with the Arbitration and Conciliation Act 1996, Pune, Maharashtra.
14. Details of your salary breakup will be as per the Annexure attached herein.
15. Shubha Systems shall make all salary payments including all reimbursements either by way of Cheque or by directly crediting the amounts to your bank account.
16. You will be entitled to an employer's contribution of Provident Fund to the extent of 12% on Rs 15000/-. You shall be entitled to leaves as per the Company / Client policy and the details are mentioned in Annexure A.
17. To perform the duty, if the Client provides you any assets including laptop or any other assets, you will immediately inform Shubha Systems in writing before taking the possession of the assets. You will make sure that the assets provided by the Client will only be used for official purpose and you will handover the assets back to the client once the work assignment / contract is completed. You will be solely responsible for damages, loss or theft of the said assets and also for liability arising out of misuse of the said assets.
18. You will be the full-time employee of the Shubha System and will not accept any other employment in any other firm or company during your tenure with Shubha Systems.
19. During the course of the above assignment you should, at all times, observe secrecy in respect of any technical, trade or business data, customers' names/business details or any other information that might come to my knowledge or possession, which according to the Company are necessarily confidential and form valuable property of the Company. You will not disclose nor cause the disclosure of any such data in any manner whatsoever.
20. In addition the terms contain herein your relationship with Shubha Systems may be subject to such other additional terms and conditions as may be communicated to you from time to time in writing by Shubha Systems.
