**Activity Name:** She Is: 75 Indian women in STEAM

**Activity scope:** Women advancement for sustainable development goals in India

**Activity details:** The office of the Principal Scientific Advisor to the Government of India in partnership with Red Dot Foundation, British High Commission & FICCI FLO will commemorate India's 75<sup>th</sup> year of Independence by honoring 75 Indian women in STEAM (fields of Science, Technology, Engineering, Arts & Mathematics) through "She Is" book series. The aim of the book series is to showcase more women role models for youth, make visible the leadership of women.

Dr. Deepali Nimbalkar was a jury member for selection of 75 women in fields of Science Technology, Engineering, Arts & Mathematics to commemorate India's 75th year of Independence as a part of the book "She is: STEAM". The office of the Principal Scientific Adviser to Government of India made their announcement of final selection. She was also covered in the first edition of the book She is: Stories of women advancing the sustainable development goals in India. This is part of her contribution to women empowerment.

**Participants:** 75 Indian women with 8 Jury members
