DECENTRALIZATION AND PARTICIPATIVE MANAGEMENT

Case study 2: Library Committee and purchase of Books and Journal

- **Recommendation:** Faculty Students, Research Scholars, and technical staff sends requisition/indent through respective HOD/HOS.
- After receipt of such indent/requisition, Librarian checks the availability and finds out the precise details of the title including price of indented book.
- Communicates (verbal/written) with Suppliers/ vendors for reassuring availability of indented book.
- Indent Approval: All indents are routed as per following process:
- All requisitions / intents for book having estimated expenses of less than Rs.500/- are directly purchased from the market under the power of HOD for such expenses.
- Book purchase expenses upto Rs.10,000/- are sanctioned by the Committee appointed by the Director General or IAO and Chief Accountant
- In case of purchase cost above Rs.10,000/- the requisition/indents are approved by the Director General.
- If books /material readily available in the market & expenses are less than Rs.10,000/-, such material is directly purchased from the vendor.
- Post facto approval process:-In cases when staff / faculty members of various departments visits exhibition, seminars, workshops and purchase the books / material of their interest, then a post facto approval is taken for such purchases from respective authorities as per the expenditure amount.
- Ordering/Purchasing: The ordering is done to book suppliers verifying availability and discount after taking due approval within ten working days.
- Supply Deadline: The maximum time limit for supplying ordered titles is specified in the order.
- After receipt of book/material, it is checked /verified w.r.t. order by librarian.
- This book/material is kept in cupboard/shelves after completing following steps:
- Accessioning: Creating a permanent record of an books received and assigning a unique number to book/material.
- Classification: The books are arranged according to subject representing classification number and allow items to be stored in that order.
