Anti-Sexual Harassment Cell

Anti-Sexual Harassment Committee Policy on Sexual Harassment

In light of the Supreme Court's ruling and the guidelines set forth in 1997 to ensure the enforcement of gender equality and protection against sexual harassment and abuse, particularly in the workplace, the University Grants Commission (UGC) has been issuing circulars to all universities since 1998. These circulars advise the universities to establish a permanent cell and committee, as well as develop guidelines to address sexual harassment, violence against women, and ragging within their institutions. With these guidelines in mind, Vasantdada Sugar Institute (VSI) has formed a Committee against Sexual Harassment. VSI is dedicated to creating a harmonious and supportive environment where students, teachers, and non-teaching staff can collaborate without fear of violence, harassment, exploitation, or intimidation. This commitment extends to all types of gender violence, sexual harassment, and discrimination based on gender. Each individual is expected to uphold the principles of freedom of expression and association, as the college strongly advocates for gender equality and firmly opposes any form of gender discrimination and violence.
