

Other Weight Bridge :-

The screenshot shows a login window titled "vsi_login_form". It contains several input fields: "User ID" with "admin" and "vsi" entered; "Password" with masked characters; "Log in Date" with "24/10/2019"; "Financial Year" and "Season Year" both with "2019-2020"; and a "Unit" dropdown menu set to "1". A central logo features the text "vsi" and the motto "संशोधनेन संवृद्धिः" (Samsodhanene Sanvridhih) in Hindi. At the bottom are "Log In" and "Close" buttons.

The screenshot shows an invoice window titled "cdo_baggasses_invoice". On the left is a vertical menu with buttons: Add, Find, Change, Save, Delete, Cancel, Print, Getpass, and Exit. The main area contains various input fields: "Season Year", "Finance Year", "Invoice Date", "Removal Time", "Operator Name", "Invoice Issue Time", "Invoice Number", "Allotment No", "Party Name", "Product Name", "Grade", "Vehical No", "Driver Name", "Licence No", "Net Weight", "Gross Weight", "Empty Weight", "Rate", "Gross Amount", "GST Amount", "Total Amount", "Slip No", "Balance Qty", and a table for GST amounts and percentages (CGST, SGST, IGST, UGST). At the bottom, there are fields for "Finance Year" and "Invoice No", and a watermark "Active Windows" is visible.

This module handles the activities related to Scrap sale like Steel, Wood, etc
